STANLEY® PERSONAL PROTECTION  
**GENESIS®**  
SAFETY EYEWEAR

**Stanley® Personal Protection Genesis Safety Eyewear**

Engineered for comfort, protection and style, the Stanley® Genesis is the number one selling style of premium eyewear in the market, delivering an incredible range of superior product benefits. Built with Multi-Material Technology (MMT) and a high level of adjustability, the Stanley® Genesis provides extraordinary all-day comfort and raises the bar for eye protection. Available in clear, espresso, amber and mirror, each lens is made from impact-resistant polycarbonate that blocks > 99.9% of harmful UVA and UVB radiation. In addition, each Stanley® Genesis meets American National Standard Institute (ANSI) safety standards, Canadian Standards Association (CSA) safety standards and the military V<sub>0</sub> ballistic standard for impact (7X ANSI standards).

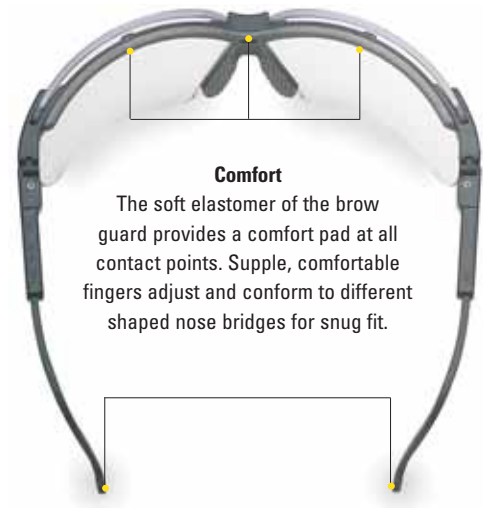

**Personal Protection from a trusted brand.**

## STANLEY® PERSONAL PROTECTION GENESIS® SAFETY EYEWEAR

Personal Protection from a trusted brand.

### Features

- Unparalleled comfort, protection and style
- Dual 9-base wrap-around lens provides uncompromised peripheral vision and superior protection
- Soft, flexible nose piece adjusts and conforms to almost any nasal profile to reduce slippage
- Soft, elastomer browguard diffuses and deflects impact
- Adjustable temple length and lens inclination
- Meets ANSI Z87+ and CSA Z94.3 safety standards
- Passes military V<sub>0</sub> ballistic test for impact (7X ANSI standards)
- Made in USA, mirror lens made in China

#### Comfort

The soft elastomer of the brow guard provides a comfort pad at all contact points. Supple, comfortable fingers adjust and conform to different shaped nose bridges for snug fit.

#### A Unique Ventilation Channel

The ventilation channel, located between the frame and lens, vents the eye socket area to deliver outstanding moisture and fog control.

#### Adjustable Temple Length

Enables wearers to custom fit the eyewear to their facial profile.

#### Soft Brow Guard

Acts as a shock absorber to diffuse impact energy.

#### Three-Position Ratchet Lens Inclination

Adjusts to complete the fitting system and provides unsurpassed extended wear comfort.

#### Clear Lens

Used for most indoor work applications.

#### Shaped Lens Design

Follows the contour of the cheekbone and creates a "zone of protection."

#### Patented Dual 9-Base Wrap-Around Lens

Allows for uninterrupted peripheral coverage.

#### Soft, Flexible Nose Piece

Conforms to fit a variety of nasal profiles.

#### Impact-Resistant Polycarbonate Lenses

Block > 99.9% of harmful UVA and UVB radiation.

Stanley's Genesis Safety Eyewear is also available with the following lens tints:

#### Espresso

Minimizes strong outdoor sunlight and glare

#### Amber

For low-light applications where enhanced contrast is needed

#### Mirror

Deflects sunlight and glare
